D. Abbott

The well-educated person is one who has developed his potentialities—physical, moral, emotional and intellectual—to the greatest extent, in order that he may meet the problems and challenges of his environment. All through your lives you will respond to one challenge after another, whether it be a physical challenge or a moral challenge, or whether it be emotional or intellectual. No sooner will one big problem be solved than another will rise up to take its place. The more successful you become in solving problems and meeting challenges, the more likely it is that you will be rewarded with bigger and harder ones. This is the pattern of all successful lives—the lives of nations as well as the lives of individuals. You are living at a time when men and nations are confronted with new challenges every day. It is a time of immense and varied opportunity, a time that gives a person a chance to test his strength, his courage, his convictions.

It is my special wish for you members of the Class of 1963 that your lives be rich in big and exciting challenges that will call for your finest talents and fullest efforts. It is by responding to such challenges that you will grow to your own full stature and learn to put to use all of the strength that is yours as a beneficiary of the great American heritage of freedom.

To the Class of 1963:

The sands of time are fast running out in your high school career, and in a few short days you will achieve graduation. The ceremony is termed "Commencement," a word which is synonymous with "beginning." It is in a real sense the beginning of your adult life. Many of you will go on to higher education; others will enter the world of business or homemaking. All of you will face challenges, and I am confident that your years here have prepared you to meet them honestly and courageously. My wish for each of you is success and happiness in the days to come.

Wilbur H. Lynch High School
Amsterdam, New York

Dear Miriam,

In September, we welcomed you as our second exchange student. Since then, while strengthening the bonds of friendship between your country and ours, you have become an integral part of our school and community.

During your stay here, we have had a valuable exchange of information. Through your speeches to schools and community groups, and through informal discussions, we have learned much about your country, its people and its customs. You, in turn, have learned about this country. You have attended our school and taken part in its extra-curricular activities. You've seen our city, its best and worst. Most important you've stayed with an American family and shared its life.

In a short time, you will return to your country. Your trip here will be only a memory. We hope it will be a pleasant one.

"Vaya con Dios, Miriam."

IT WAS LIKE JUST GREAT

In September, 1960, our big moment came: we started back to school as members of the W. H. Lynch student body. True, we were only lowly sophomores, but you have to start somewhere. The problems were many: how to find the escalator, how to pass Math 10 (it took about two years for some of us to solve that one), how to keep our eyes off Becky, etc. Our class officers were chosen. Gary Habla became president; Gary Blongiewicz, vice president; the good looking Smith, our secretary; the tall skinny Smith, treasurer. We were introduced to Tony's where we could go and drink cokes (how naive were we) and admire the upperclassmen of the opposite sex. Midyears came, and we even studied. Some of us managed to ignore both Mr. Aninger's campaign and the initiation to become members of fraternities and sororities. Our lovely cheerleaders were picked, final exams came, and it was one down and two to go.

At the beginning of the junior year, a few kids got together to choose our class officers. Mike Andoline was unanimously chosen president; Walt Porath became "head" assistant; Karen Kolodziej, secretary; and Mary Ann Bonafede was given the money to hold. Class rings were standardized and we got them before Christmas. Fraternity and sorority members got their revenge for last year. Urbie, Blonge, and big Phil led the varsity basketball team to a Class A championship, and that tall skinny Smith led the Jayvees somewhere. In May, fourteen of us were inducted into the National Honor Society. Hayden Anderson became Mr. DeRose's head errand boy. The third Smith and Sara got the job of preparing this beautiful book. We managed a Junior Prom, although the planning had started only a week before. Miss Ronnie Serylo was queen. Mrs. Aulisi left for the little ones on Guy Park Avenue. It was two down and one to go.

At last! We're seniors! A few of us started celebrating over Labor Day and managed to receive icy stares from our teachers when we reported back. College and job plans for after graduation (we hope) become the immediate problem, and as a result, that neat chair in Mrs. Lovenheim's office is all worn out. The magazine sales were under par, and our own Prof Roy threatened we'd have a pamphlet rather than a yearbook. Six more of us joined the "egghead" society. The football season was begun by a rousing pep rally. On this memorable occasion, the three shapely cheerleaders, Phyllis Schuyler, Heada Porath, and Cecelia Smith inspired our football team to achieve a winning season, the first since 1948. We were all so happy that no one minded the fact that pep rallies were banned for the next few years. At the end of November, Mr. Roy decided he might need some assistance and got around to holding class elections. The presidency became occupied by Dave Smith; John Kryzak secured the position of vice president; Pat McNally took over the duties of secretary and Liz Rzasz became treasurer. Miriam Lemus became a hit as our second exchange student. We had a real crazy mixed up Christmas pageant. The basketball team seems to be doing great. Dave Smith is starting (varsity, not jayvees), and he even stopped shooting. Big Phil is still shooting, but some of them go in now. Ick became the most popular guy in Amsterdam. Mr. Hall had the gall to leave and Mr. Varsoke had the gall to take over. Mr. Hall lost his gall and came back and Jim Mancini went back to normal. As we start our final half year of high school, we have much to look forward to: the Senior Play, Senior Day, the Senior Ball, turning eighteen, and, hopefully, graduation. Hysteria is starting to take hold as we realize we'll soon be walking the halls of A.H.S. for the last time. But, when it's over, we'll be able to look back on three "just great" years.

DEBATING SOCIETY

The Debating Society continues in its second year to pursue the art of arguing with finesse. We have engaged in, and won, our first interscholastic debate—and hope to win many more. Under the indescribable influence of our faculty advisor, Mr. Aninger, the Society continues to create chaos and controversy—especially in room 151. After one of his "enlightening" speeches has drawn slowly to an end, we become vaguely aware that we soon may gain insight into the society of debating which rules the society of man.

FIRST ROW: John Walden, Michael Chiara, Robert Lebman, Henry Madej, Mr. Aninger. SECOND ROW: Mary Lou Petrillo, Barbara Green, Howard Van Arnum, Michael Warshona, Lewis Schedlbauer, James McCrary. THE OBSERVER

Well, we're back again. Sure wish some of the boys would awaken and discover the beauties at A.H.S. We have to dig for our dirt. It's been said that the leg injury of Robert Cudmore is a result from twisting with Janet Basista at Lee Derrick's party. A breakup occurred there too. Lee's breakup with Cheryl Gill was a surprise to all. Wonder if Ronnie Smith and Janice Januszewski had fun in New York City? The current rumor concerns soph Marv Quick and Barb Sikorsky. A word of warning to Leo Zemaitis and Laverne McKnight. Your noon hour actions are quite an eye catcher. What is the next feature? (Private to Frannie Pinto. Won't you please give your picture to Bob

Christmas Pageant

In accordance with the spirit of Christmas, a Christmas program will be held on Wednesday, December 19th, before the entire student body. The program will concern the Darling children of Peter Pan. Wendy, portrayed by Sherry Merrow; John, played by Anthony Rogers; and Michael, characterized by Linda Galusha. Wendy relates the Christmas story to

practice brotherly love when we are expecting an expensive present. However, we must realize that the true meaning of this holiday season--be it Christmas or Chanukkah--is not the trading of gifts, but the respect for the rights and privileges of others. Therefore, we should be able to lay forth this true meaning whether or not material reward. So, as we are not always able to keep it all

FRENCH CLUB

A comparatively new organization at A.H.S. is the French Club whose objective is to give each student a better understanding of the French language and culture. To further this objective the club has taken on several projects. The main project for this year is a trip to Montreal where we will not only have an opportunity to hear natives speaking French, but also to see the dominance of French influence in this Canadian province.

In addition, the club sang French Christmas Carols at the hospitals and had a food sale to raise money.

The requirements for membership in the French Club are at least one semester of French and an 80% average in the subject. Every year, the top French students go to Albany to compete in the National French Contest.

MUSIC

The Music Department at A.H.S. consists of the Band, Orchestra, Girls Chorus, Mixed Chorus, Vocaliers, voice class, Music Theory and appreciation class and the TRI-M Society.

Under the direction of Gerald Barnell the band plays at the football games presenting a halftime show with the majorettes. It also performs at the annual Christmas and Spring Festivals. The band marches in several parades and ends the year by playing at graduation.

The largest group in the vocal section of the department is the girls chorus which consists of about 175 girls. This chorus and the mixed chorus, a group of selected students, appear annually at the Christmas and Spring concerts. The Vocaliers are the best singers of the department and the 20 members join by invitation only. This select group presents special programs at Christmas time, for the Rotary and Kiwanis banquet, and for other community functions.

This year the Music Department and the Drama Department produced the Broadway hit *Bye Bye Birdie*.

The music theory and appreciation class studies the rules of composing, conducting, and the advanced principles of theory, lives of composers and periods of music, and listens to the most famous music literature.

The TRI-M Society is a music honor society which students may join by invitation only. This society ties together every section of the Music Department. Very important on its list of activities are the County Festivals, all state sectionals and the state competitions in the spring. This group also encourages its members to do solo work in the community.

The Club took a trip to New York to attend a concert at the new Lincoln Center.

ALPHA DELTA PHI

Alpha Delta Phi has earned a high place in the eyes of the community and the school by being dedicated to preserving high moral and religious standards among its members. We contribute each year to the Community Chest, help in the Christmas Seal campaign, and participate in special Thanksgiving and Christmas projects. The sorority sells candy apples and pizza at all home games,

keeping the crowd well fed and happy. Our other fundraising projects consist of food sales, paper drives and an annual spring fashion show which always proves to be a success. Our summer plays always include a beach party. The formal activities of the year were closed with an annual banquet at which the new officers were inducted and all retiring seniors were presented with gifts.

We feel this year has been a very successful one that all members are proud of.

K. E. SOCIETY

Since 1880 KE sisters have upheld their high ideals by making their chapter distinguished for outstanding contributions, both charitable and social, to our community and school.

We have held food sales and car washes, and in December an informal dance "Farewell to Football" was held when a gift certificate was awarded to "Mr. Touch-

down A.H.S." For our Christmas project, we donated food and toys to a needy family. We have taken part in other community projects such as the Cerebral Palsy Telethon, Christmas Seals campaign, and, of course, an equal share of fun at holiday parties and meetings.

We are proud to say that our society has accomplished a great deal throughout this year. We closed the year with an induction banquet in June.

FIRST ROW: Cheryl Gill, Diane Doak, Sandy Beers, Pat McNally, Joan Canavan, Judy Van Zandt, Vicky Petrosino. SECOND ROW: Eleanor Morrello, Judy Engle, Dorothy Domkowski, Bonnie Page, Judy Barnello, Stephanie Czelusznjak, Donna Phillips, Cynthia Cline, Betty Davis. FOURTH ROW: Joan Vecchio, Nancy Tyndall, Mary Manos, Carol Abele, Barbara Kinnin.

CHI SIGMA THETA

Chi Sigma Theta has remained one of the largest organizations at Wilbur H. Lynch Senior High School since its founding. It has continued to take its part in charitable and social activities throughout the years. The sorority has contributed to many of the community funds and drives, and sponsors a special Christmas project. This year the sorority raised money to buy food and toys for a needy family. In the spring, the annual "Walk Collegiate" dance is sponsored.

We also enjoy parties and a Communion Breakfast with our brothers, Kappa Rho.

Each year our new members are formally inducted at a Candlelight Ceremony attended by our mothers. At the end of the year, a banquet is held at which the new officers officially take office, and all retiring seniors and sponsors are presented with gifts.

KAPPA RHO

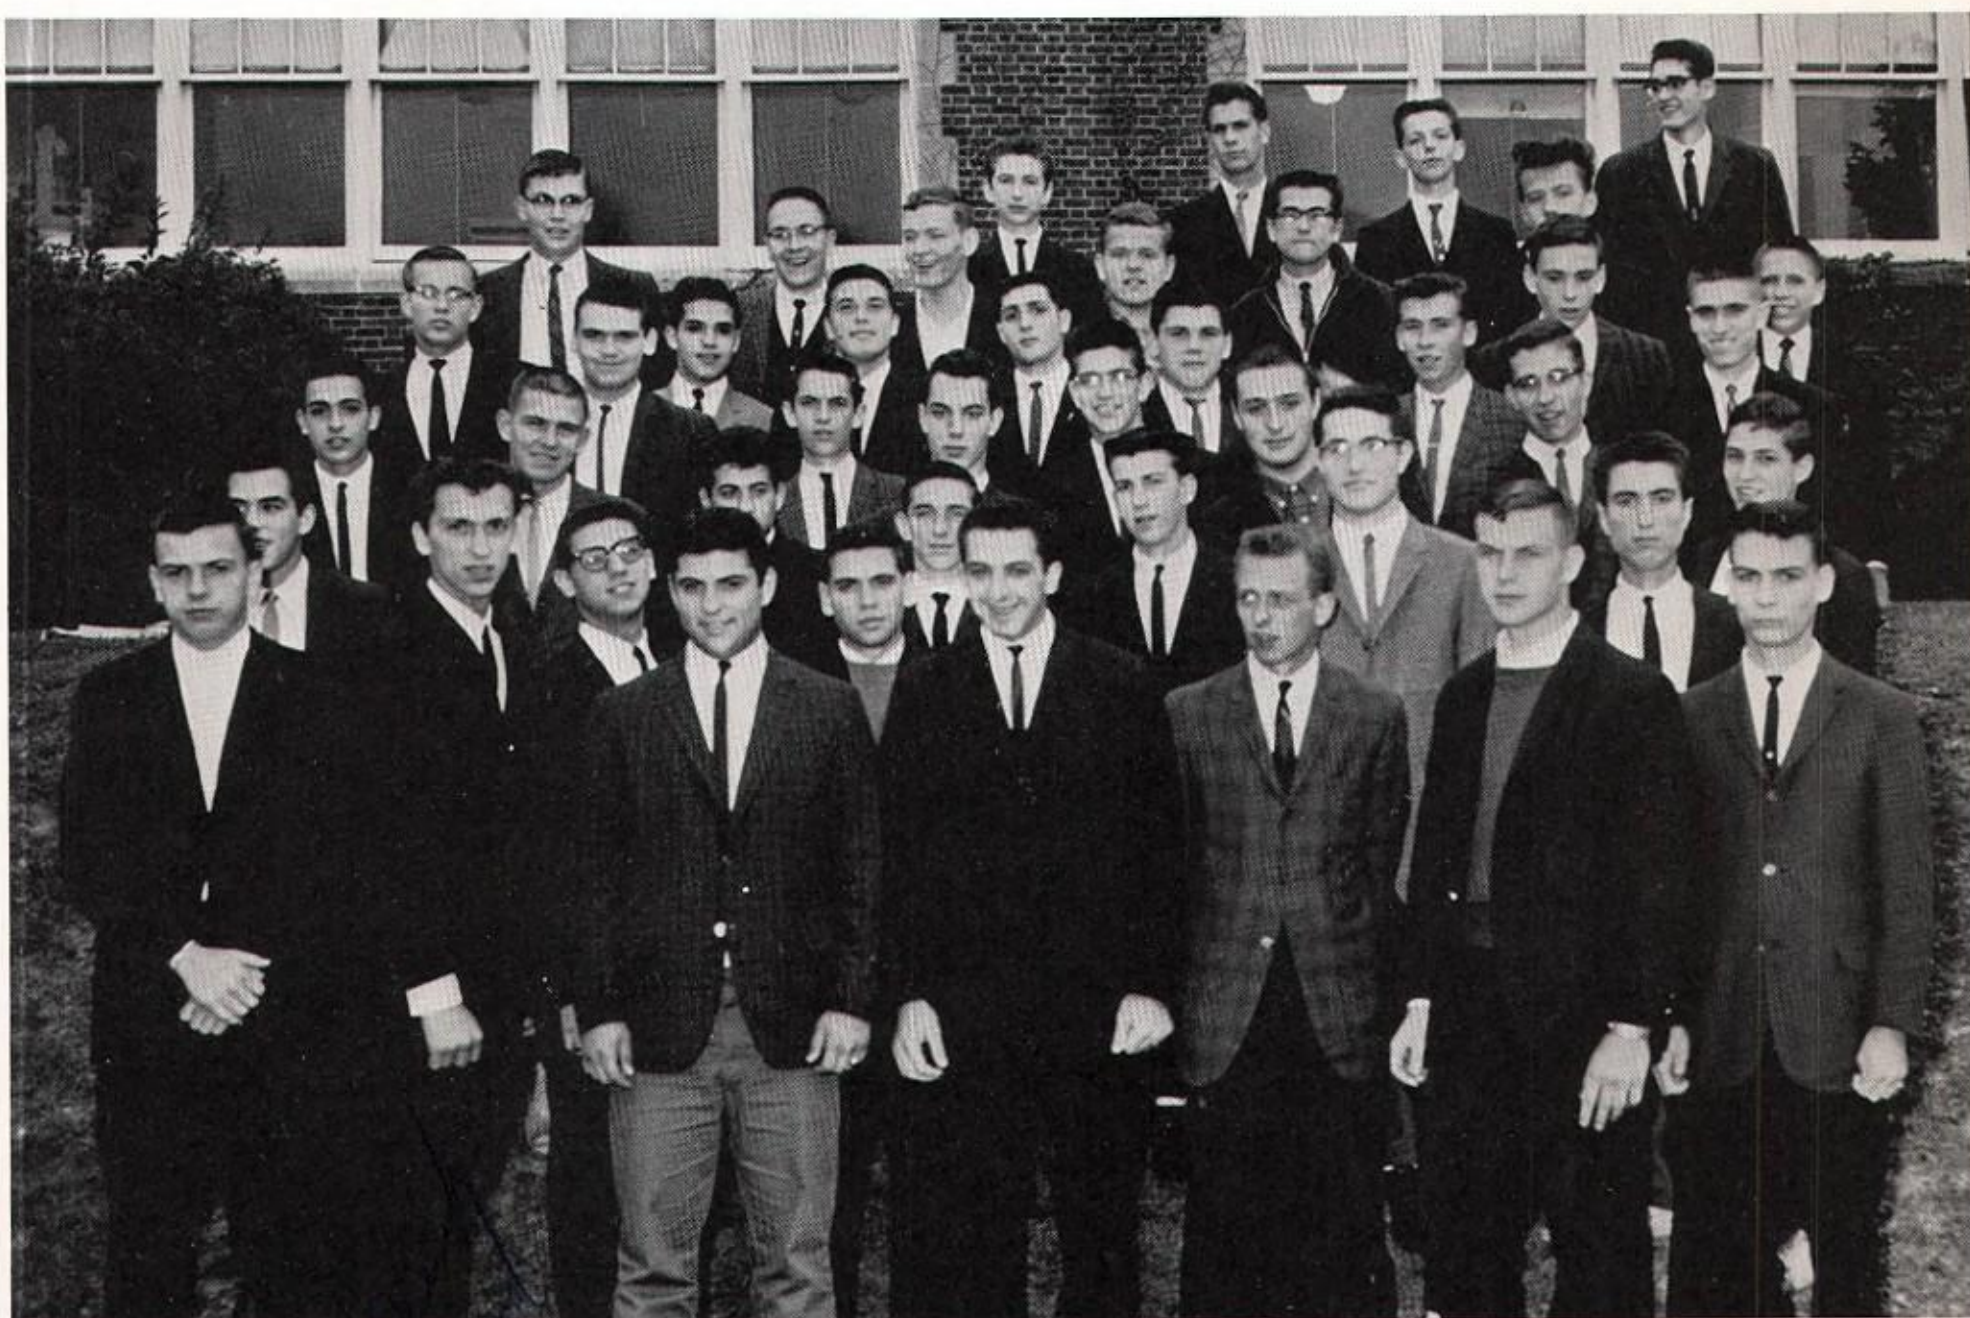

Since its founding, Kappa Rho Fraternity has remained one of the largest and most active fraternities in the school. This year was no exception, for the members of this fraternity, after sponsoring a movie, presented a substantial check to the Heth G. Coons Scholarship Fund.

Annually Kappa Rho sponsors a dance for the purpose

of choosing a "Sweetheart of Kappa Rho." The money earned by this project provides donations for many civic and school drives.

Social activities are not forgotten, and the members of Kappa Rho hold various parties and banquets throughout the year.

PHI ALPHA LAMBDA

Phi Alpha Lambda, through its many years of existence, has had its goal contributing to the community. Through the years, Phi Alpha Lambda has annually participated in a house-to-house canvass for the Community Chest. This year, as in the previous year, the sorority has made it a happy Christmas for the Cerebral Palsy victims by do-

nating generously. The willingness of each member to do what she can, has made it possible for Phi Alpha Lambda to carry on successfully its many charitable activities. The sorority has also benefitted by the success of its many car washes and bake sales.

At the end of each year, we have our annual banquet in honor of the departing seniors and the newly-elected officers.

PHI DELTA

Founded in 1903, Phi Delta Sorority has long played an important part in the life of A.H.S. Throughout the year, the sisters of Phi Delta meet for mutual friendship and improvement.

Our community projects this year have consisted of the Christmas Seal Drive and the distribution of food baskets to needy families. To raise money for our ac-

tivities we held a card party and numerous bake sales.

A successful social season was begun with a dance, "Autumn Splendor," and our annual Christmas formal, this year entitled "Mistletoe and Music" was held on December 21. In the spring there was a dinner dance for our sorority sisters and their escorts. The final event of the year was the farewell banquet held in honor of the seniors.

NU DELTA SIGMA

Since its founding in 1928, Nu Delta Sigma has been dedicated to the principles of brotherhood and community service. By following these ideals Nu Delt has been established in the school as one of the leading fraternities. By means of our annual dance and other fund-raising

projects we have been able to give generously to the Montgomery County Health Association, Cerebral Palsy Association, the Muscular Dystrophy Drive, and the Heth G. Coons Scholarship Fund. In accordance with the social aspect of fraternity life, Nu Delta Sigma held several parties throughout the year in addition to our annual banquet.

SIGMA PHI

This year, 1963, will always remain significant in the memories of the sisters of Sigma Phi. We have accomplished much to be proud of. Our sorority has taken part in a multitude of social activities such as the formal initiation, food sales, car washes, community projects, and

a beach party. It has also undertaken the selling of soda at football games and contributed to the decorations on the front of the school at Christmas. At the end of the year an annual banquet will be held for the seniors when the newly elected officers take their oath of office.

PHI KAPPA EPSILON

Phi Kappa Epsilon since its founding twenty-four years ago has provided many new experiences to its members. Each year we give money to the school for Christmas decorations and donate to charity organizations. This year we bought winter jackets which are black with white

trim and lettering. Plans are being made for the annual banquet, where new officers will be elected. Our final event will be a beach party at the end of the year. The members wish the class of '63 the best of luck in the future.

FIRST ROW: Dave Davis, Richard Jaworski, Joe Sala, Carm Serge, Tony Pasquarelli, Tom Podolec, Paul Macuirles. SECOND ROW: Dave Gawlak, Jim Hayden, Tom Sliva, Mike Wytrwal, Bill Maurice. THIRD ROW: Brian Doak, Frank Koylowski, Dennis Sawityki, Dave Rossi, Rich Rossi. KNEELING: Dave Salak.

KEY CLUB

Unlike ordinary fraternities, the Key Club exists for one purpose only: to serve the school and community. Our motto is, "We Build," and this is carried out in training leaders for the community. Founded in 1946, the Wilbur H. Lynch chapter of Key Club International is the oldest in New York State. We are sponsored by the local Kiwanis Club and regularly attend their meetings. Our main project, which students look forward to, is the annual movie. In past years, we have donated to the Red Cross, Community Chest, and similar drives. The Key Club has helped Kiwanis organize social activities, such as the Halloween parade and Boy Scout rallies. In school we sell book covers each fall, and we recently purchased the menu board now in the cafeteria. Our school sponsor, Mr. Greco, has worked along with us and has given us a good deal of help and guidance. Although we work hard, we have enjoyed doing it together.

DRAMA

The Drama Department of the Wilbur H. Lynch High School is renowned for its many successful activities. One phase is its popular Drama Club. This year the Club has presented *Peter Pan* as its annual Children's Theater production and *Bye Bye Birdie* for the high school and adult audiences. During the year, the club sponsored a trip to New York City to see *Camelot*. In addition, the club played host to many area schools in May for a Drama Festival.

The National Thespian Society is the honor society of the Drama Club which grants membership to students for excellence in dramatic arts. The society is an educational honor and service organization for the advancement of dramatic arts in high schools. Each spring the society holds a banquet where new members are inducted, and the Kirk Douglas Award is presented to the member who has demonstrated the most outstanding participation in the dramatic activities of the school during the year.

The Senior play, *Our Town*, produced under the auspices of the department, was sponsored by the Senior class.

PEP CLUB

The Pep Club is composed of sophomore girls wishing to try out for cheerleading in the early spring. Under the leadership of the cheerleaders, the members are active participants in cheering at all the games to help boost the morale of our team. They assist the cheerleaders in leading the cheers and provide an enthusiastic crowd of spectators.

Sophomore girls cannot try out for cheerleading unless they are members of the Pep Club.

Membership in this organization provides an equal opportunity for all girls to yell, lead cheers, and practice good sportsmanship.

GIRLS' SPORTS

This year there has been a change in girl's sports. The Junior-Senior Girls' Athletic Club was abolished. The program is now similar to the boys' program. Any girl, sophomore, junior, or senior, can participate in a sport and compete with other schools.

So far, we have had two sports to participate in: field hockey and volleyball. We went to a field hockey playday in October where we played against Galway and Gloversville. We had one volleyball playday where we won two games.

The girls sell candy and potato-chips at the home basketball games to raise money for a banquet at the end of the year.

AMSTERDAM	13
LINTON	19

A highly spirited Hilltopper team opened the season against Linton on September 21st. Spearheaded by a fine passing attack, the A.H.S. gridgers took honors in every department except the final score, dropping a 19-13 verdict to the Blue Devils. The Hilltoppers scored twice on passes of 34 and 20 yards from Mike Krochina to Danny Dixon.

AMSTERDAM	14
ALBANY	13

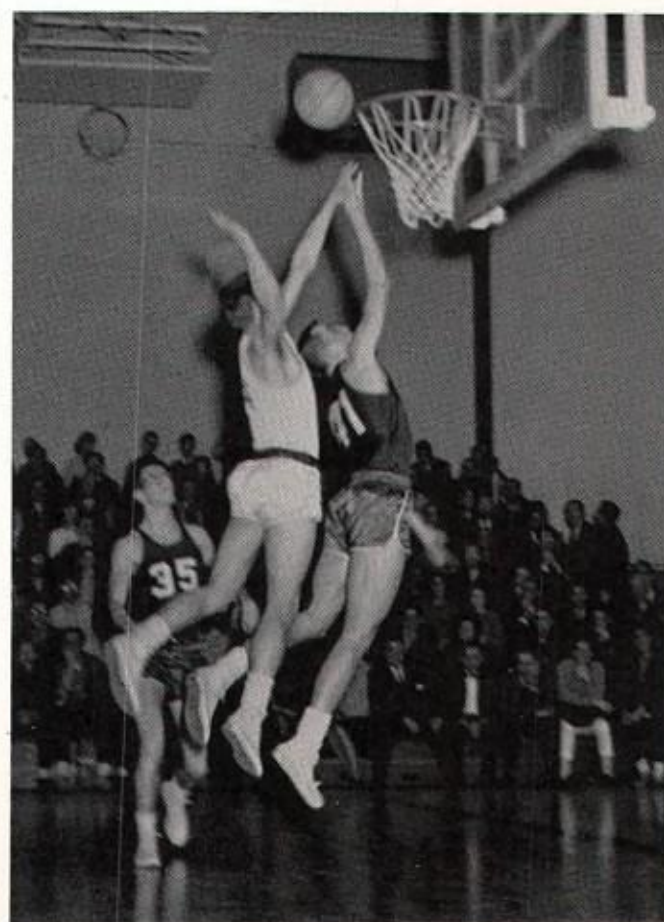

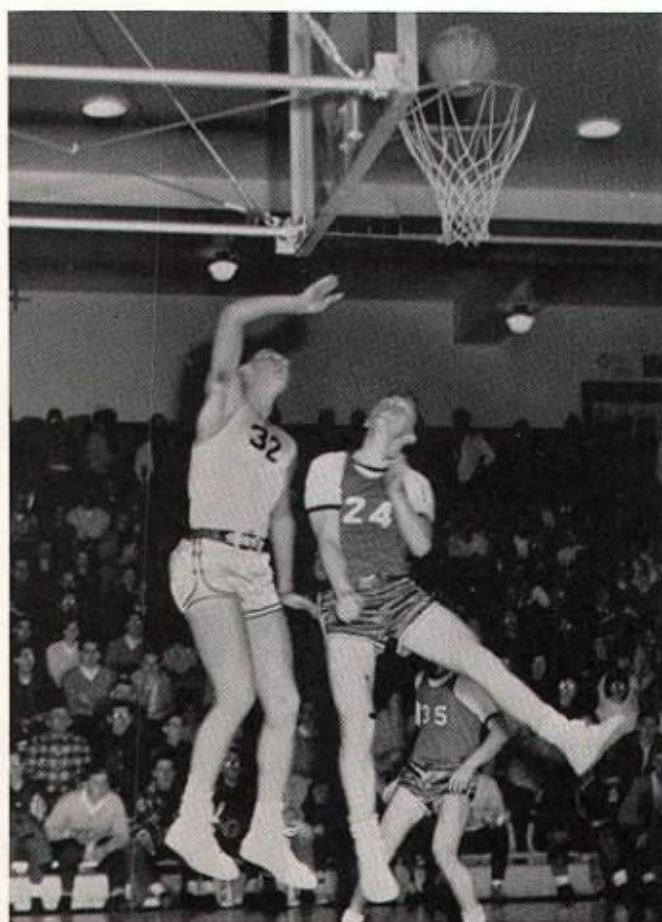

A.H.S. picked up their first league win by copping a thrilling 14-13 contest with Albany. The Hilltoppers used a rock-ribbed defense and a potent offense to upset the previously undefeated Rangers. The Hilltopper's two TD's came on a 6 yard reverse by Dixon, and a neat bootleg by Krochina, also from 6 yards out. The margin of victory came on extra point passes from Krochina to Gene Brown and Dave Tuck.

The Hilltoppers opened their 1962-63 basketball season with a 59-45 win over Walconah High School, at Dalton Massachusetts. Playing without the services of scoring and rebounding star Tim Kolodziej, Amsterdam used a third period scoring burst to pull away from the Dalton club. Gary Blongiewicz, and Phil Schuyler turned in solid efforts to help down the out-of-staters.

In their next outing, the Hilltoppers began the defense of their Class "A" Title by hosting rival Linton High. Playing on their newly refinished court, A.H.S. came through with a 68-60 victory over the haughty Blue Devils. Tim Kolodziej, Phil Schuyler, and Tom Urbelis led the Amsterdam scoring with 23, 18, and 15 respectively.

During the holidays, the Hilltoppers played in the Linton Invitational Basketball Tournament. In the opening round of this tournament, the A.H.S. courtmen disposed of Bishop Gibbons of Schenectady, 76-50. Big Tim Kolodziej again led the Hilltopper scoring with 23, and Blongiewicz and Urbelis chipped in 16 and 15 respectively to help the Hilltopper effort.

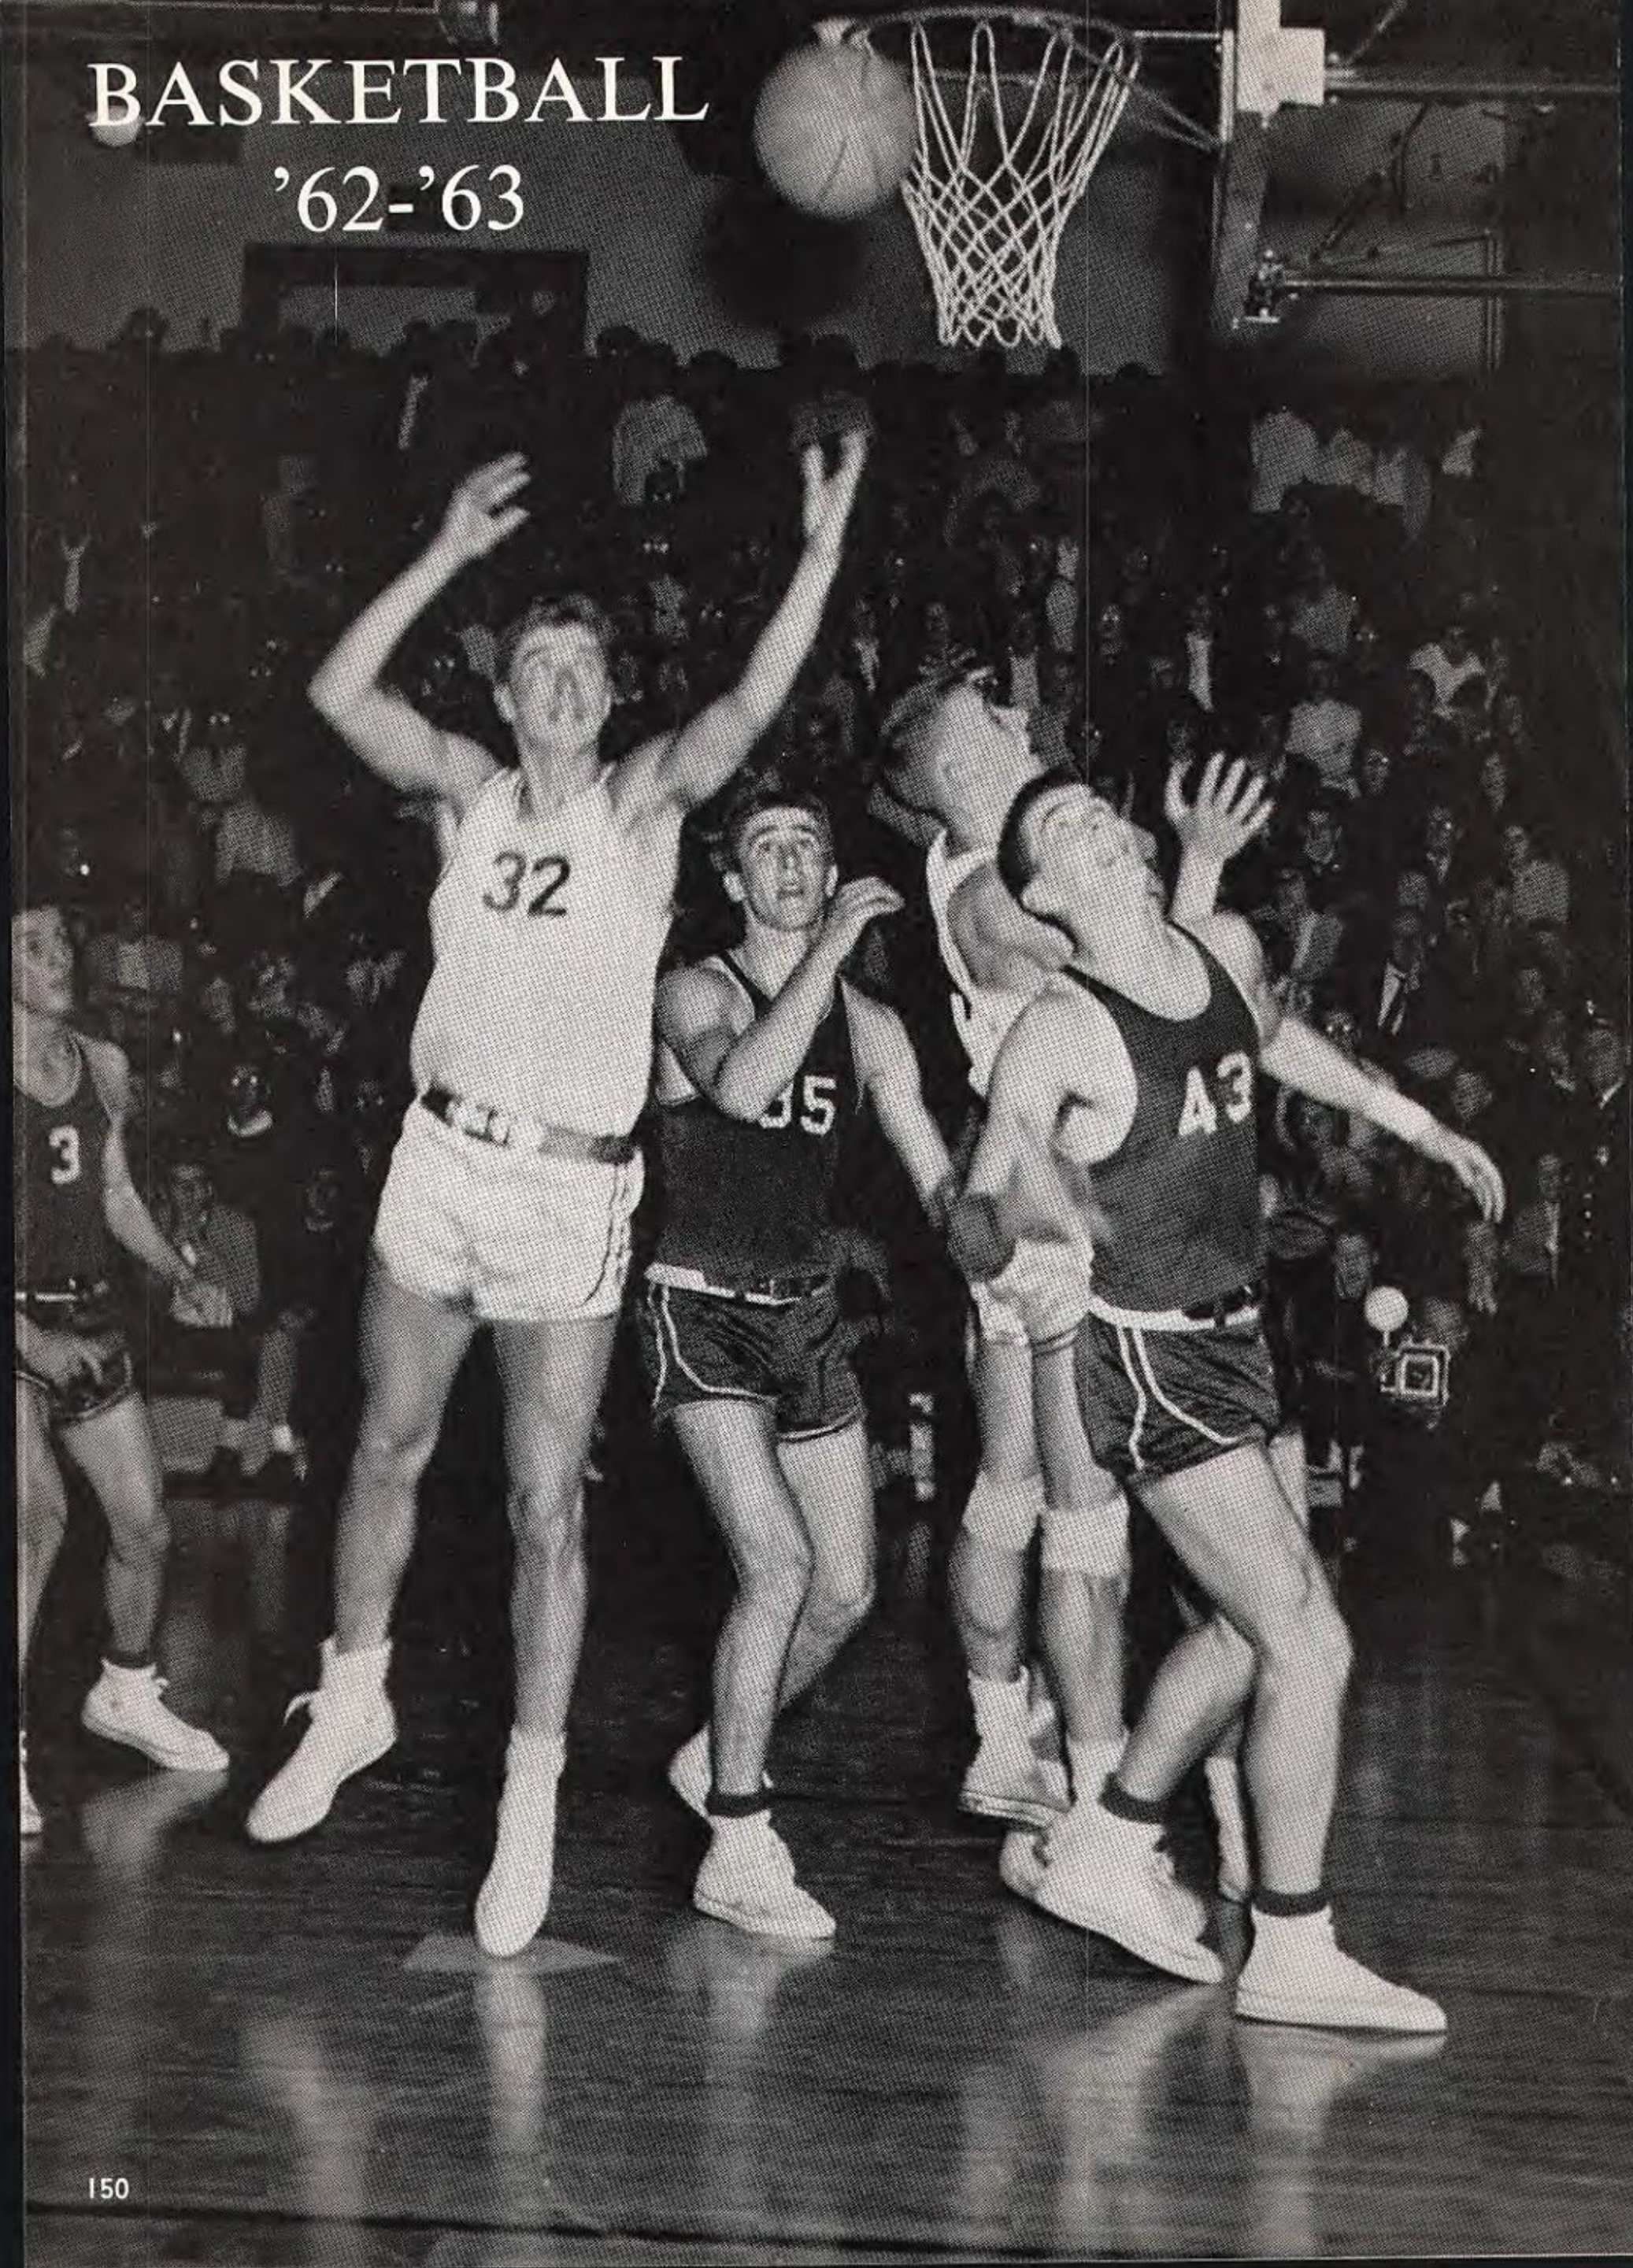

FIRST ROW: Mike Krochina, Larry Olney, Tom Urbelis, Paul Green, Tim Burtman. SECOND ROW: Jim Picinich, Joe Ciccarino, Tim Kolodziej, Gary Blongiewicz, Phil Schuyler, Dave Smith, Rick Heller, Coach John Varsoke.

GLOVERSVILLE14

Playing their last game of the season, the Hilltoppers dropped a close decision to undefeated Gloversville, 14 to 6—completing their best year since 1949. The lone Hilltopper TD came on a 22 yard burst by Carl Srokowski. The A.H.S. defense led by Joe Ciccarino and Mark Alexander, did a creditable job in containing the high scoring Huskies. In their last game for A.H.S. were co-captains Joe Ciccarino and Mike Andolina, Dave Tuck, Dave Wilson, Howie Seymour, Frank Huptick, Paul Wassel, and Jim Picinich.

HUDSON	12

After fighting back from a 12-0 deficit, the Hilltoppers subdued their second non-league foe, a tough Hudson High team, 14-12. The Purple and Gold gridders again used a hard-nosed defense, led by co-captain Joe Ciccarino and Mike Andolina, and a superb passing attack to pick up the win. Dave Tuck and Carl Srokowski were the heroes of this game. Srokowski ran 35 yards for a TD; Tuck caught a 32 yard touchdown pass and two extra point passes from Mike Krochina.

AMSTERDAM20
N.Y.M.A.0

The Hilltoppers picked up their first non-league win by demolishing New York Military Academy, 20-0. Junior Mike Krochina again led the A.H.S. attack by completing 9 out of 12 passes, good for 114 yards and two touchdowns. Besides passes of 14 and 10 yards from Krochina to Dave Wilson, touchdowns came on an 11 yard run by Bob Uncher.

MONT PLEASANT28

In their third encounter, A.H.S. ran into a great Mont Pleasant eleven and came home on the short end of a 28-7 score. Nearly 3,500 fans were on hand for the game played under the lights on the Red Raider gridiron. The Hilltoppers, who haven't been able to beat Mont Pleasant since 1948, scored their only touchdown on a 13 yard pass from Krochina to Tuck with less than three minutes remaining in the game.

TROY7

In their fourth league test, A.H.S. rolled over Troy, 28-7. A well calculated offense, directed by Krochina and led by the running of halfbacks Carl Srokowski and Howie Seymour, amassed a total offense of 423 yards, a record for Amsterdam clubs of the past decade. The Hilltopper's four touchdowns came on runs of 5 yards by Seymour, 2 yards by Srokowski, and 30 yards by Freshman Joe Nabozny, and a 7 yard pass from Krochina to Joe Ciccarino.

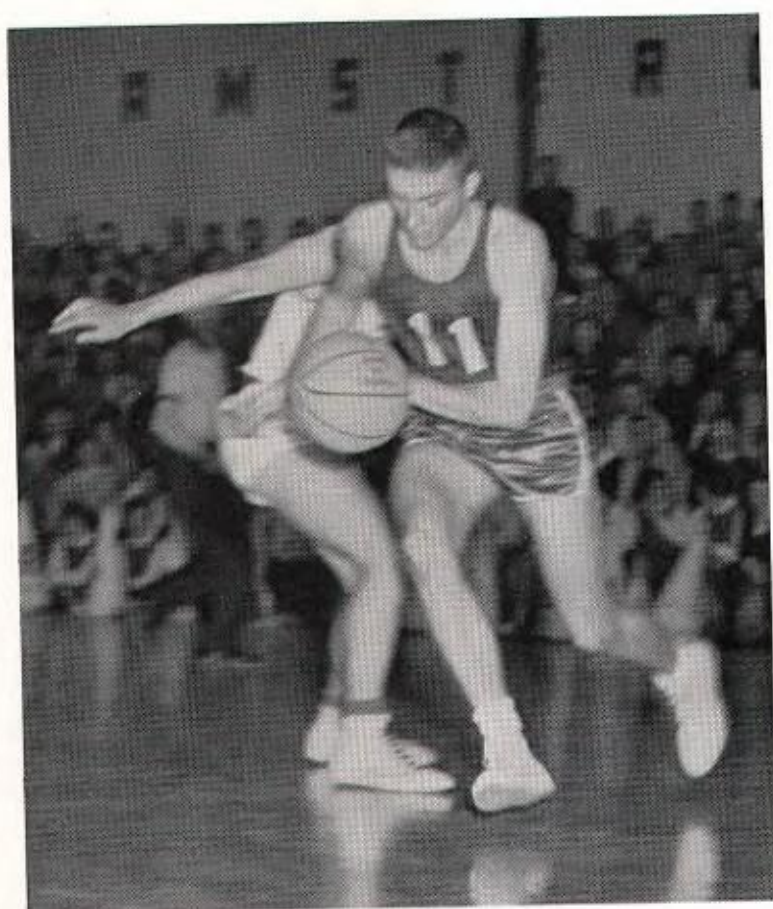

In the championship game, A.H.S. ran into the host Linton team. Playing solid basketball, the Hilltoppers proved too much for the Blue Devils to handle and came away with a 71-56 victory. Tim with 26 and Phil with 21 provided the punch for the Amsterdam attack. This game marked the first time that a Linton basketball team had been beaten on their home court. In addition to winning the tournament, Amsterdam placed Kolodziej, Schuyler, and Blongiewicz on the five man all-tournament team.

Amsterdam High opened the 1963 segment of its basketball campaign with a 58-44 victory over Albany. Playing on the dungeon-like Albany court, the Hilltoppers survived a third period rally by the rangers to pick up their next victory. Senior backcourtman Tom Urbelis turned in an outstanding performance for the Hilltoppers by scoring 21 points and setting-up many others.

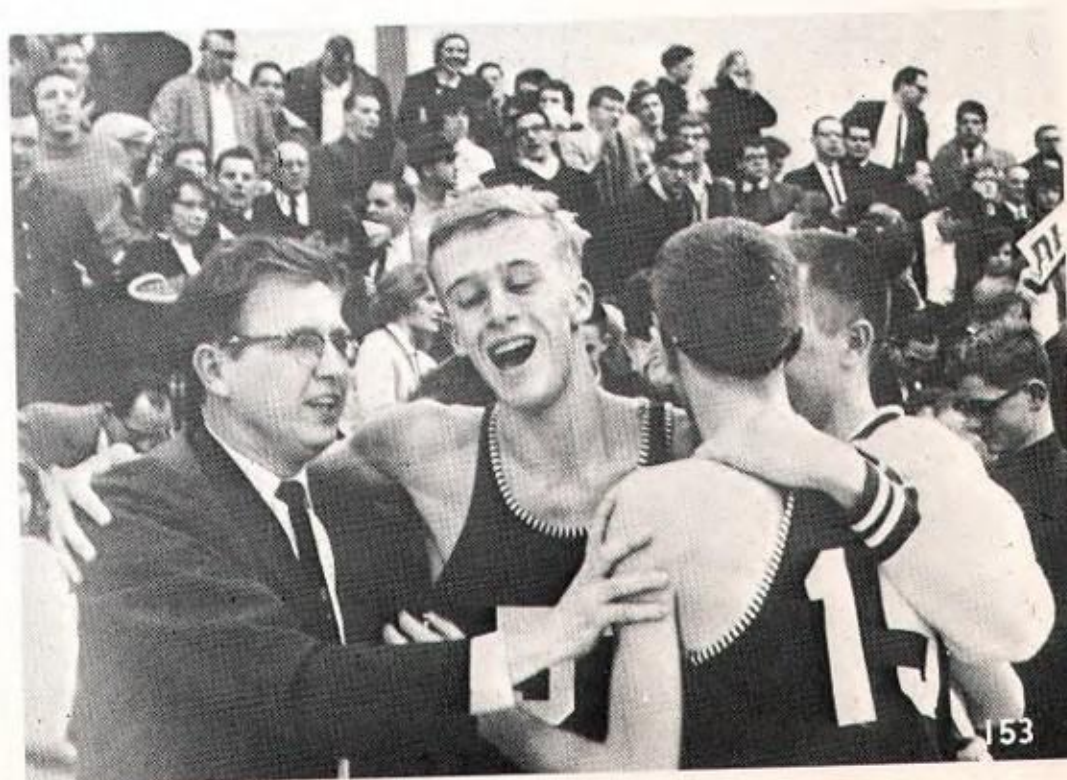

In their next outing, the Hilltoppers easily defeated Little Falls, 67-31. Coach Varsoke utilized his reserves freely to keep this game from becoming a rout.

A.H.S. then glided past Mont Pleasant, 61-31. The outclassed Red Raiders were never in the game; as Kolodziej with 22 and Blongiewicz with 18 scored more than the entire Mont Pleasant team.

The Hilltoppers picked up their fourth league victory by defeating Troy, 73-62. Playing on the spacious Trojan court, A.H.S. used their inside game to the utmost to emerge the victor. Amsterdam got 2-ply scoring from its "fear-some foursome" of Schuyler, Urbelis, Kolodziej, and Blongiewicz, to nail down the victory.

With five men hitting double figures, the Hill romped over Johnstown in their next outing, 98-40. The A.H.S. courtmen completely outclassed the Sir-Bills, allowing the reserves to see plenty of action.

On February 1 and 2, the Hilltoppers hosted down state powers, White Plains and New Rochelle. In the first game, the Purple and White again got its "fear-some foursome" in double figures to defeat White Plains, 72-56.

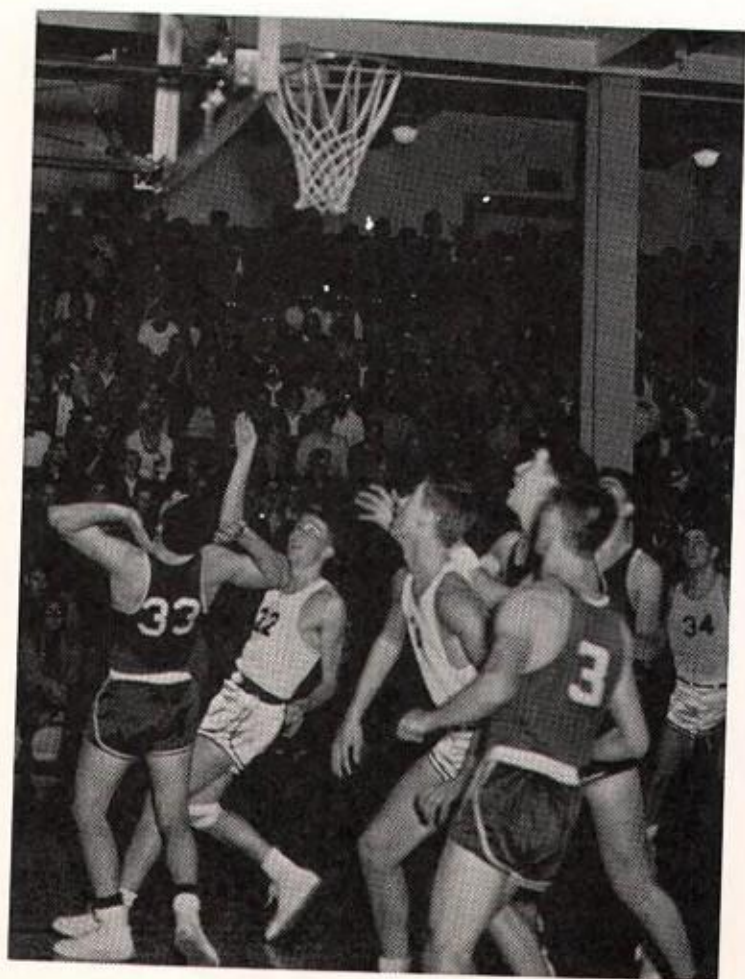

On Saturday night the Hill played a high-jumping New Rochelle team. After some tense moments, A.H.S. picked up the verdict, 61-47. Tom Urbelis paved the way for this victory with 20 points and some fine play-making. This victory extended the A.H.S. winning streak to 22 games over a two year span.

In their next game Amsterdam all but wrapped up the Class "A" League title by defeating Linton on their home court, 75-64. Gary Blongiewicz collected 28 points on a variety of shots to lead the Hill to victory.

The Hilltoppers then returned home and defeated Albany High, 88-48. Timmy, Gary, Tommy, and Phil led the Amsterdam attack with 21, 16, 16, and 11 respectively.

The Hill picked up their 14th win of the season in their next outing to Little Falls. T. K. with 24 and Urbie with 22 led the Purple and White to a 89-52 victory over the Fallsmen.

In their next outing against Johnstown, Coach Varsoke's reserves saw plenty of action as the Hill picked up the victory, 56-22.

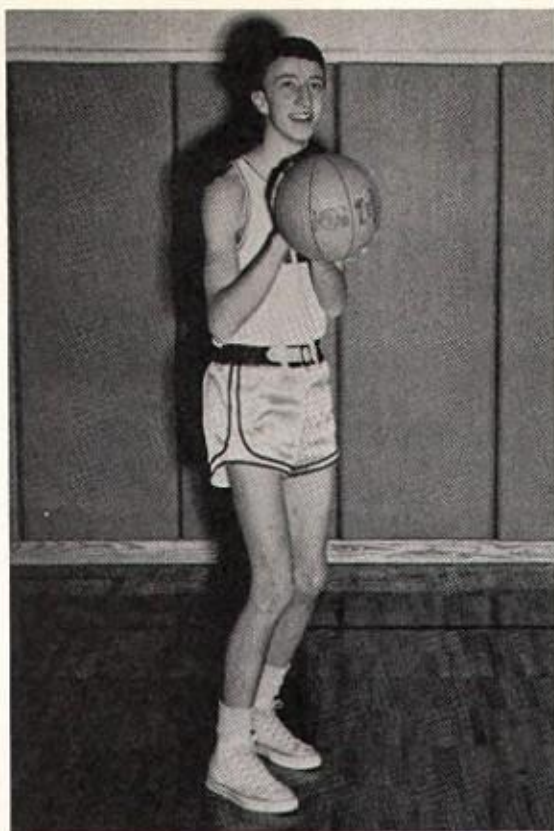

On March 1 the Hilltoppers traveled to Mont Pleasant. In this game the A.H.S. cagers survived a Red Raider stall to walk off the court with a 40-28 victory.

In their last game of the regular season the Varsokemen throttled Troy, 79-36. Playing before a home town crowd, the Hill was led by Blongiewicz with 22 and Kolodziej with 19. This victory gave the Hilltoppers the Class "A" League pennant.

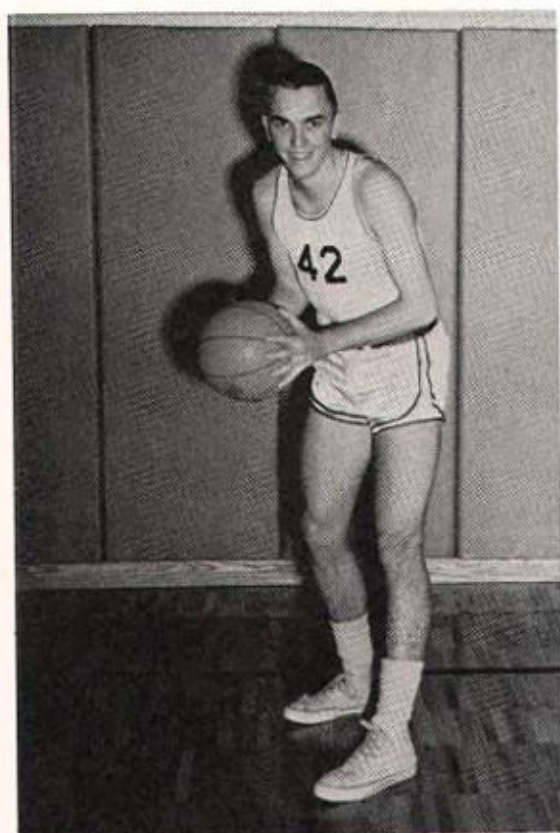

After completing their regular season the Hilltoppers traveled to Troy High to participate in the inter-sectionals. In their first game Amsterdam demolished Colonie, 71-29. Timmy with 23, and Dave Smith with some fine floor play, led A.H.S. to victory.

On March 30 at Troy, the Hilltoppers met the Class "B" champions. Playing in their last game for A.H.S. were Phil Schuyler, Dave Smith, Gary Blongiewicz, Tom Urbelis, Joe Ciccarino, and Jim Picinich.

On Thursday, March 7, 1963, a "Tea" was held in the school library in honor of the Varsity "63." Each member of the team was presented with a boutonniere, and then stood in a receiving line to be congratulated by the members of the faculty.

A lavishly decorated purple and gold cake, bearing "Congratulations Champions 1963," was served by the cheerleaders who were acting as hostesses of the affair.

At the conclusion, pictures of our school champions were taken for the Recorder and the yearbook.

Coach Ed Cionek

Directed by Ed Cionek, the A.H.S. Track Team looks ahead to another fine season. Returning lettermen Joe Ciccarino and Paul Russo are expected to pick up points in the high jump and pole vault to bolster the Amsterdam cinder squad. Other potential point getters include milers Lawrence Szydek and Walt Messak, sprinters Franck Huptick and Larry Olney, and broad jumper John Iwanski. The Hilltoppers were hurt in the field department when shot put and discus man Don Opalka broke his wrist. Seniors Jim Lowenhagen and Jack Lipkin are expected to fill in for Opalka in these events.

WATCHING

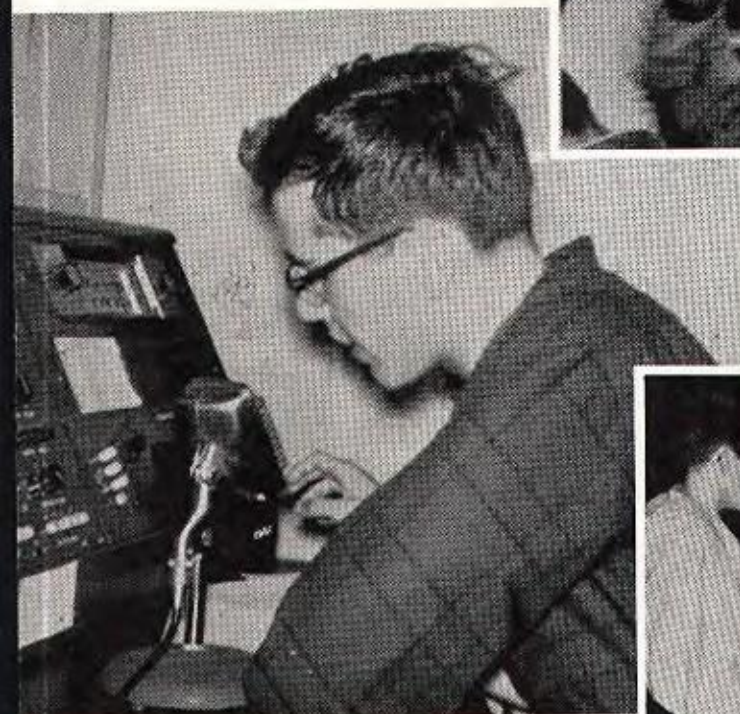

During our three years, at A.H.S., four things—working, walking, watching, and talking—have taken up practically all our time. When you consider that we've attended school eight periods a day, five days a week, forty weeks a year for three years, and that adds up to 4800 periods, not counting dances, basketball games or detentions, you begin to realize exactly how much time we've actually spent here.

Watching is also one of our favorite pastimes. There's girl watching, boy watching, watching out for Mr. Hall . . . We once watched basketball games, but when the "Fabulous Five" are thirty points ahead, its more fun to watch Mr. Aninger. And then, some people even watch their teachers.

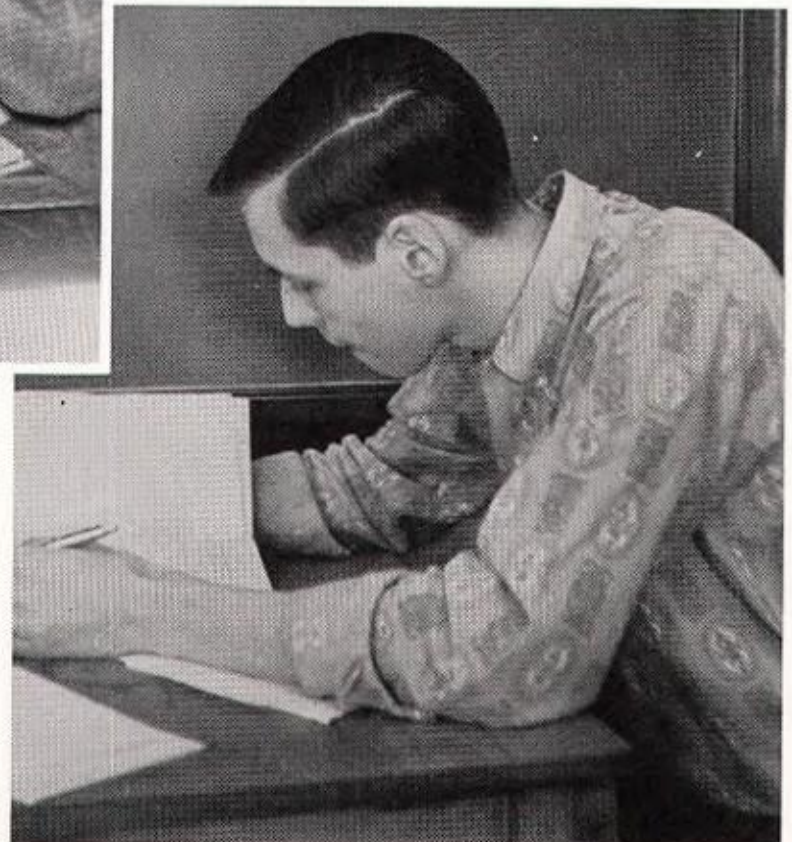

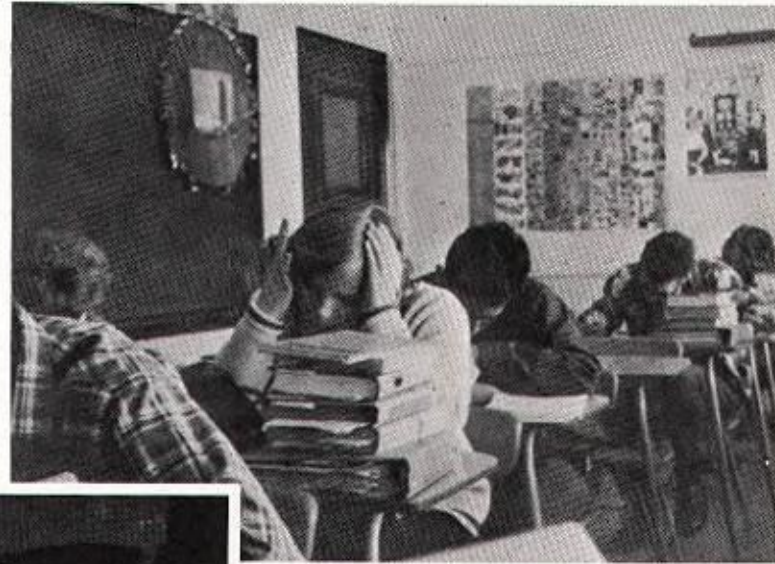

TALKING

Talking is a major activity in every phase of school life but classroom discussions. Long conversations are necessary for prelude for everything. The talking of the senior staff should have produced three yearbooks by now, and if the *Item* editors wrote down all their words, we'd have an hourly paper. Talking at A.H.S. can take many forms. There are informal discussions with teachers and friends. There are the conversations between one sophomore girl and five or six admiring upperclassmen. There are the eager talks among the senior girls at lunch and before school about college weekends, clothes, and failed tests. Most important of all there are the hundreds of sometimes gay but often sad talks between one boy and one girl.

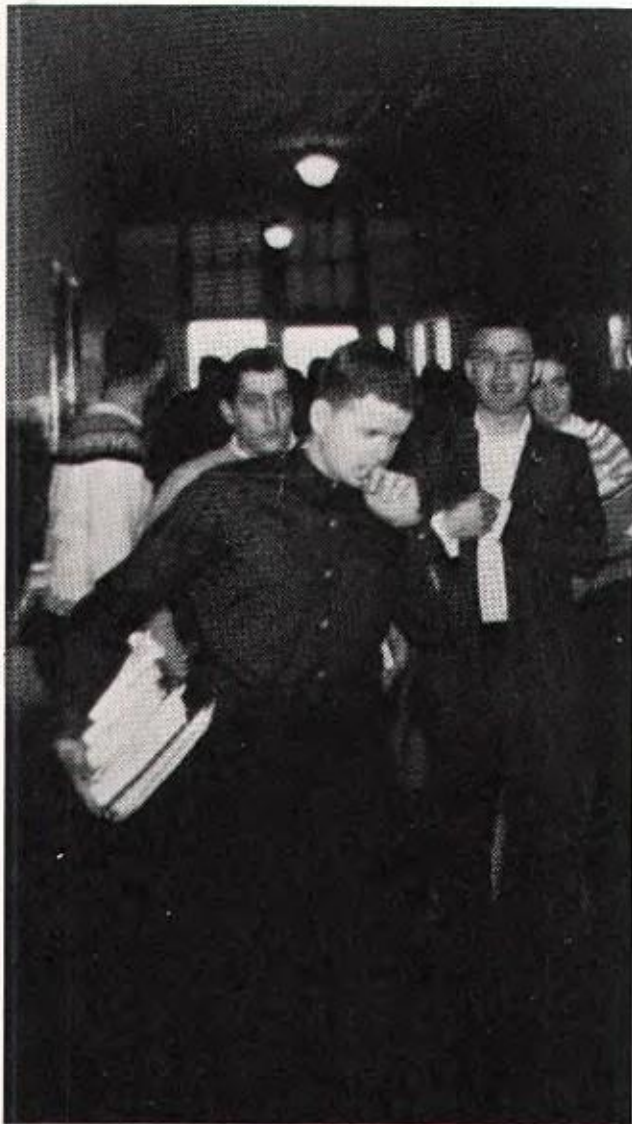

WORKING

Among all the walking, talking, and watching I've even seen a few people working although I must emphasize that the number has been small. Most of this work has been done in furious bursts of energy. However, you'll never see anyone working quite so hard as the managing editors of the yearbook just before a deadline, unless it's a senior working on his essay or maybe someone taking one of Miss Keane's tests. But don't worry, this doesn't happen too often, not even with yearbook editors.

WALKING

Walking brings us to school and takes us to freedom. We've walked up those #*?3" front steps just millions of times, (who could have designed them so scientifically?). Our feet have worn a path to the cafeteria and to the gym at lunch hour. Walking (or standing around) is the main activity at dances and we have seen a lot of it on the basketball court. Last and least, it takes us to class.
